NASI AYAM SERUNDENG
SAMBEL PECEL

The image shows a complete meal on a red tray. The main dish is Nasi Ayam Serundeng, featuring a large piece of fried chicken with a thick, golden-brown, crispy rice coating (serundeng). It is served with white rice, fresh green lettuce, a slice of cucumber, and a sprig of basil. A clear plastic bag of orange Sambel Pecel sauce is placed to the right. The tray is divided into three compartments for side dishes: a dark, spicy chicken stir-fry with green and red chilies on the left; two golden-brown, almond-studded fried omelets in the middle; and a portion of thick, curly yellow noodles on the right.
